- Repeat each letter aloud.
- Print three copies of the grid on card stock.
- Cut out the letter squares and put them in a little bowl or box face down.
- To play the game, the first player chooses 20 letters and places them face up.
- The other player sets a timer for 3 minutes.
- The player with the letters uses them to form as many words in Spanish as possible.
- The player can connect the letters like in the example below.
- When the time is up, the player gets points according to this:

2 to 3 letter words = 1 point

4 letter words = 2 points

5 or more letter words = 3 points

*optional: lose 1 point for every letter not used.
